Directions to Access Point Controls Head Office

Leave the M5 at **Junction 19** (Gordano Services).

Leave the roundabout following signs for **Portishead A369**.

Follow this road for just over ½ mile, then turn **right** into **Station Road**.

Drive past a light green bus shelter on the right.

Drive over the railway bridge.

Look for the white walled building on the right; visitor parking for the estate is in front of the fence panels to the right of it, if full just park anywhere around the front of the building.

Walk around the building, turn right – our office door is just past the brick chimney.
